

ATTENTION, PARENTS!

CARPOOL DISMISSAL

Please refer to the calendar for the first week of school dismissal schedule.

All parents who drive **only** kindergarten or first graders are to pull in **the driveway that goes by the Upper School up to a cone beyond the entrance for carpool dismissal.** Please pull over to the right side of the drive, as far as possible. Please see the calendar for dismissal dates and times pertaining to the first week of school.

** For **Upper School** dismissal, parents are to pull in the driveway that goes by the Upper School, **starting at 3:00. Upper School dismissal, Monday-Thursday is at 3:00. Upper School dismissal on Friday is at 2:35.** Supervision for siblings of Upper School students will be made available until 3:00 M – Th.

All parents who drive **children in second through fifth grades, or children in these grades combined with a first grader or kindergartener** are to pull in **the first driveway, through the woods. (The same route you normally take.) There will be a cone at the intersection to indicate where to stop.** Because grades 2 – 5 have academics till 2:30, your children will be ready at **2:35** for dismissal. When the kindergarten and first grade children are loaded, the cone will be removed, and carpool will continue for the remaining children.

The hope is that this will speed up our dismissal process, and no one will be waiting for long periods of time. This also means that if you normally come early, you should not pull up to the entrance (unless you have only kindergarteners or first graders), but rather to the cone in the driveway that goes through the woods.

The only exceptions to this policy are Jill and Mike Taylor, the top bidder for Leader of the Pack last year. They will have a designated spot at the front of the carpool line.

Thank you in advance for your cooperation.
