

Second Grade Stories

Spring 2010

Mrs. Hagadorn's Class *Special* End-of-the-Year Issue

Spring Memories

Another wonderful school year at Wildwood Christian Academy is nearly over. Our class of second graders wrote about events that took place this spring. Experiencing each event was great fun, and writing to share our highlights with you helped us remember our good times at school.

Sarah wrote about spring birthdays.

On April 24th, I had a birthday. I had cupcakes at school, and my mom came to my classroom and read a book called Sarah's Story to the class.

Ryan wrote about outdoor picnic lunches.

Outdoor picnic lunches were so fun. They had good sandwiches and chips. I loved the apples. Everybody had a great time.

Jackson wrote about the Presidential Fitness Award requirements.

In order to earn the Presidential Fitness Award, you have to do the sit-ups and pull-ups. The mile run is important, too.

Anna Catherine wrote about "Count Your Blessings."

Our school had a fundraiser that was called "Count Your Blessings." It raised money to help kids come to our school and get a good education. Kids did extra chores to get money for "Count Your Blessings."

RaeAnnah wrote about our drama performance.

Our class did plays from "Aesop's Fables." We did "The Wolf and the Lamb", "The Ant and the Grasshopper" and "The Tortoise and the Hare." We learned our lines, dressed up in costumes and got to do the play in front of our parents and school friends. It was fun.

Shelby wrote about Ms. Joy.

Ms. Joy wants to be a teacher so she helped in our classroom. She has a sister here. She really helped our school. We like having her in our room.

Faith wrote about Mother's Day.

Mother's Day was on Sunday, May 9th. Our class made our mothers a luggage name tag.

Maya wrote about our nature hike with Mrs. Dozier.

I love going on hikes. Our hike was on May 13th. We all liked it. It was fun because we saw many plants and insects. We ate lunch and played at the park before we came back to school.

Miranda wrote about Field Day at Sharp Top Cove.

Sharp Top Mountain was the BEST! The teacher who took us was our P.E. teacher, Coach Ryan. What we did was put on different colored shirts. We played games where we had to put our feet in a plastic pool with marbles. We had to get the marbles with our feet. There was a waterside into the lake and more. It was a great day.

Elizabeth wrote about the last day of school.

The last day of school was May 26th. We went around and got everyone's name in the yearbook. We had an awards' ceremony. We said good-bye to our friends for the summer.

To Elizabeth's entry I added, "And my teacher told all of us to have a great summer and be sure to read every day and work on our Summer Activities Workbook!!"

HAPPY SUMMER! from the Second Grade at Wildwood Christian Academy!
