## Counting Money

We have been working hard learning how to count money in Kindergarten. Parents can help their child retain this skill with occasional practice at home. Let your child count pennies, nickels, and dimes in small combinations.

## Pizza Party

We had fun reading about pizzas and making our own pizzas in class. We couldn't decide if it was more fun to make the pizzas or to eat them!

## Reminders

- Next Thursday and Friday, 3/18 and 19 are Parent Conferences. School will dismiss at 11:25. A conference schedule is on back of this newsletter.
- Our class will sing for Chapel on Wednesday, 3/31. Mark your calendars!

## Thank You...

...Season Loner, Steve Schultz, and Jill Taylor for being our February Mystery Readers.

...Joe Lawson, Jim Gargano, Season Loner, and Crystal Landrum for being our Art volunteers.

...Rachel Wood and Season Loner for watching the class this week for our Teacher's Off-Duty Lunch.

...all the Moms who helped with the "Day of the Heart"
