

Wildwood Christian Academy's

9TH GRADE HONORS PROGRAM

Wildwood Christian Academy's 9th grade Honors Program incorporates the school mission statement to provide our students with excellence in education by offering a challenging college-preparatory curriculum that includes Honors level courses in each of our academic core disciplines. Our curriculum is strategically designed to meet the academic, expressive, and physical needs of our students. The curriculum is unique in that it relies on classically proven methods and incorporates the latest research-based methods and techniques.
